2022 CENSUS OF AGRICULTURE AMERICAN INDIAN RESERVATIONS SUBJECT SERIES DATA RELEASED

LAKEWOOD, Colo. – August 29, 2024 - Today the U.S. Department of Agriculture's (USDA) National Agricultural Statistics Service (NASS) released the second of the subject series data releases that presents 2022 Census of Agriculture statistics that highlight American Indian Reservations.

The statistics presented in this report include:

- Farms and land in farms
- Tenure
- Market value of products sold
- Production expenses
- Land use practices
- Producers by days working off-farm
- Average age
- Primary producer occupation

The 2022 Census of Agriculture American Indian Reservations data can be located by visiting the NASS Census of Agriculture website at <https://www.nass.usda.gov/Publications/AgCensus/2022/index.php>.

Other future releases in the subject series of data releases include Typology, Specialty Crops, Specialty Crops for Outlying Areas and History of the 2022 Census of Agriculture. Watershed subject series data was released July 24, 2024 and can be found in the same location.

For more information about the Census of Agriculture including all the 2022 Census of Agriculture results, and tools to access and share the data, visit <https://www.nass.usda.gov/AgCensus/>.
