Wyoming Agricultural Statistics 2024

Dear Farmers, Ranchers, and Other Users of Wyoming Agricultural Data,

I am pleased to present the “2024 Wyoming Agricultural Statistics”. This publication contains both current and historical agricultural statistics at both the State and County level.

I want to thank the many Wyoming farmers, ranchers, and agribusinesses who continually volunteer to provide the data we collect on our surveys. This publication would not be possible without their continued cooperation and support. The information they provide makes it possible to tell the story of Wyoming agriculture every year.

I would also like to thank the NASS Mountain Region staff, state and federal agency staff, and others in the Wyoming agricultural industry for their efforts and contributions to this publication. Whether you provided, collected, analyzed, or compiled this data, your efforts produce the best estimates possible for Wyoming agriculture.

Last, but certainly not least, I want to thank our field and phone enumerators for their perseverance and skill in collecting survey data throughout the year.

This book is a compilation of the Wyoming data included in over 400 reports published each year by the National Agricultural Statistics Service (NASS). A calendar showing the report release dates can be found in the back of this publication and on the NASS website at: <http://www.nass.usda.gov/Publications/index.asp>

In addition to the information in this bulletin, a vast amount of detailed State and County information about Wyoming agriculture is available from the multitude of annual reports we publish and the 2022 Census of Agriculture. For more information, please visit our website at: <http://www.nass.usda.gov>

Finally, USDA NASS released the 2022 Census of Agriculture in February of this year. The Census of Agriculture is the most comprehensive set of county data in the nation. I want to thank all the farmers and ranchers who helped provide this valuable data. The Census of Agriculture information is used extensively by farmers and ranchers, land grant universities, USDA Agencies, local, state, and federal policy makers to make good decisions regarding programs for rural America. Please visit www.agcensus.usda.gov to see all the products and information available.

Please also don't hesitate to give us a call if we can help provide you with any information.

Sincerely,

Leslee Lohrenz
Wyoming State Statistician

WYOMING AGRICULTURE 2024

The value added to Wyoming's economy by the agricultural sector was \$2.43 billion in 2023 and has been above the \$1 billion threshold since 2003, according to data published by the Economic Research Service (ERS). Of that total, animals and animal products accounted for \$1.40 billion, crops totaled \$515 million, and farm-related income accounted for \$519 million.

In 2023, 10,500 farms and ranches used 28.8 million acres to raise agricultural products in Wyoming. Farmer and rancher cash receipts totaled \$1.91 billion. Cattle and calves ranked as the largest livestock commodity raised in the state, followed by hogs and sheep. Hay was the largest crop raised, followed by corn and sugarbeets.

Rank in Agriculture: Wyoming's Rank among States, 2023

Commodity	Unit	Wyoming		Leading State		United States
		Rank	Production	State	Production	
Field Crops						
Barley	(1,000 bu)	5	6,032	Idaho	60,480	185,036
Beans, Dry Edible, (excl Chickpeas).....	(1,000 cwt)	9	299	North Dakota	8,939	23,910
Pinto Beans	(1,000 cwt)	7	251	North Dakota	6,021	8,606
Corn, Grain	(1,000 bu)	36	8,721	Iowa	2,522,550	15,341,595

National Agricultural Statistics Service (NASS) Reports and Data

The NASS Internet homepage provides easy access to the wide range of reports, data and general information published throughout the year. All data in this bulletin is published at an earlier date and can be found most quickly via the Internet.

NASS Homepage – <http://www.nass.usda.gov>

Wyoming Homepage – http://www.nass.usda.gov/Statistics_by_State/Wyoming/index.php

Through a cooperative agreement with Cornell University, the Albert R. Mann Library distributes NASS, Economic Research Service (ERS), and World Agricultural Outlook Board (WAOB) periodicals and data files via the USDA Economics, Statistics and Market Information System (ESMIS) on a web server. Over 500 NASS reports annually are available free of charge. All NASS reports along with WAOB's World Agricultural Supply and Demand Estimates (WASDE) are available electronically seconds after release.

A calendar of scheduled releases is available from the NASS Homepage by clicking on **Publications**. The next screen is the Reports Calendar where you can choose the year and month of interest.

Free E-Mail Subscriptions to NASS Reports

When a current report is released, it can be sent free of charge via e-mail to the list of subscribers for that report. From the NASS homepage, select **Publications**, then follow the instructions under **Receive Reports by Email**. You may also go to the Wyoming state report subscription page following this link https://www.nass.usda.gov/Statistics_by_State/Wyoming/Subscribe_to_WY_Reports/index.php and select from the following two Wyoming reports:

Wyoming All Reports
Wyoming Crop Progress & Condition

There is no charge for e-mail subscriptions via Internet. You will receive a confirmation message to the email address you provide. You must verify that you subscribed to the releases before you start receiving the releases in your inbox. You may unsubscribe at any time by going to the **Subscription Page** and unchecking the reports you wish to discontinue.

Agricultural Statistics Data Base (Quick Stats and Quick Stats Lite)

Published U.S., State, and County information is also available in an online database **FREE OF CHARGE**. The database allows custom extracts based on commodity, year, State, and other selection criteria and produces an output file compatible for updating databases and spreadsheets for selected commodities. The data base can be accessed from the NASS homepage by selecting **Data and Statistics**. From there, you can retrieve National, State, or County level data using the full **Quick Stats** database or use one of the commonly used, pre-created queries using **Quick Stats Lite**. The Census of Agriculture is also available in Quick Stats. The county data include totals for the Agricultural Statistics Districts (county groupings) and the State. Video tutorials and other information can be found by selecting **Help**.

WYOMING FIELD OFFICE, USDA NASS

REPORTS ISSUED DURING THE YEAR

	<u>Frequency</u>	<u>Approximate Date of Publication</u> ¹
General Reports:		
Crop Progress and Condition	Weekly	April-November (Mondays)
"Wyoming Agricultural Statistics" - Annual Summary	Annual	Fall
Report Dates for Crops:		
Winter Wheat Seedings	Annual	January (9th-12th)
Prospective Plantings	Annual	March (28th-31st)
Acreage Planted	Annual	June (28th-30th)
Crop Production Forecasts	Monthly	May-November (9th-12th)
Crop Production Annual	Annual	January (9th-12th)
Crop Values	Annual	February (20th-25th)
Winter Wheat Varieties	Annual	February
Hay Stocks	Semi-Annual	January, May (9th-12th)
Report Dates for Livestock, Dairy, Poultry, and Livestock Products:		
Cattle Inventory and Calf Crop	Semi-Annual	January or February (5th Friday of year), July
Sheep Inventory and Lamb Crop	Annual	January or February (5th Friday of year)
Sheep Shorn and Wool Production	Annual	January or February (5th Friday of year)
Sheep and Lamb Death Loss	Annual	February
Hog Inventory and Pig Crop	Annual	December
Livestock Slaughter	Monthly	20th-26th
Meat Animals - Production, Disposition, and Income	Annual	April (26th-30th)
Bee Colonies and Honey Production	Annual	March (26th-30th)
County Estimates:		
Barley	Annual	December
Livestock - Cattle and Sheep	Annual	April
Prices and Miscellaneous:		
Farm Labor	Semi-Annual	May and November (15th-21st)
Agricultural Prices	Monthly	28th-31st
Number of Farms and Land in Farms	Annual	February (10th-19th)
Farm Production Expenditures	Annual	August
Agricultural Land Values	Annual	August

¹ Same day news releases are issued for some reports. Separate reports funded by the Wyoming Business Council are printed for Wheat Varieties , and the Wyoming Wool Growers are printed for Sheep Loss. The annual bulletin, "Wyoming Agricultural Statistics", is a summary of all data for the previous year.

All reports are available on the Internet at: www.nass.usda.gov prior to being published in this publication.

LEARN MORE

Visit: www.nass.usda.gov to gain access to the following features:

- Browse the NASS website for information on surveys, the Census of Agriculture, NASS procedures, and more.
- Confidentiality and Security Pledges – Select **About NASS** to see our agency history and governing principles.
- Report Calendar – Select **Publications** to get reports by date/topic, email subscriptions, and historic reports.
- Wyoming Reports – Use the map to find state-specific reports created in cooperation with the State of Wyoming.
- Quick Stats – Select **Data and Statistics** to find data by agricultural product, geography, date, or other variables.
- Quick Stats Lite – Commonly searched pre-defined queries of the Quick Stats database.
- Special Tabulations – Request your own customized **Census of Agriculture** summary.
- CropScape – Create your own annual geospatial land cover maps going back to 2009.
- VegScape – Create your own weekly vegetative index maps back to January 2000.
- Follow NASS on Twitter - @usda_nass
- Customer Service – For assistance finding data online or to request hard copies, call toll free: (800) 727-9540 (7:30 a.m. to 4 p.m. ET Mon-Fri) or write to nass@nass.usda.gov.
